

# Bring in the New Year with new experiences at the Garden Globe

## **PLANNING YOUR PLOT WORKSHOP**

**Friday 20<sup>th</sup> of January from 1pm to 3pm or from 5pm to 7pm**

This workshop is popular so we are offering two slots; one starting at 1pm and one starting at 5pm. When you book let us know which slot you would like. The workshop will cover all aspects of grow-your-own and each participant will go away with a personal plan for their plot for the coming year. (Non-plot holders are welcome too).

## **KITCHEN CANNY**

**Monday 23<sup>rd</sup> of January 5pm – 7pm**

After a fantastic workshop in October the team from Changeworks Scotland are back to deliver two more 'Kitchen Canny' workshops. Participants learn through a series of activities how to reduce save money and reduce food waste at home and take away a Kitchen Canny Kit to help them make changes.

## **FRIDAY DROP-IN**

**Friday 27<sup>th</sup> January and then every Friday from 1pm to 3pm**

The Friday drop-in group looks after the community garden and grows food for themselves, for the centre and the wider community. It is also a time when the centre's resources are available for the plot holders to use and for plot holders to get support and advice on their plots. It is friendly and everyone is welcome whatever your age, ability and interests.

## **KITCHEN CANNY**

**Thursday 16<sup>th</sup> February 1pm – 3pm**

This is the second of our 'Kitchen Canny' workshops for this programme. Participants learn through a series of activities how to reduce save money and reduce food waste at home and take away a Kitchen Canny Kit to help them make changes.

# 'MEET THE GARDEN' SPRING PARTY

**Saturday 18<sup>th</sup> February 10am -1pm.**

The spring is a great time of year to get involved in the garden. There will be tasty food and fun activities to get everyone excited about the coming year. There will still be time to register for a plot and to join our drop-in volunteer team.

## SEASONAL COOKING

Throughout the year we will be running seasonal cooking workshops. Learn how to use produce from the garden and connect with traditional recipes of the past that make the most out of our fantastic local fruit and veg here in Scotland.
