Have you been hit by benefit changes?

If you live in the Craigmillar area and have been affected by benefit changes, the Scottish Parliament's Welfare Reform Committee would like to hear your views.

The Committee is tackling the serious issue of welfare reform. We know that cuts and changes to benefits can have a serious impact on people's lives, and some areas in Scotland have been affected more than others.

YOUR VIEWS

Members of the Committee are MSPs from different political parties. They want to understand your opinions and hear your experiences.

COME ALONG...

Committee members are hosting an event in your local community. Come along to the Jack Kane Community Centre on 18 May from 2.00-4.30. Pull up a chair, have a cup of tea and a sandwich, and talk to MSPs and others in an informal, welcoming setting about the changes to benefits that matter to you.
